

NOTICE TO AGENTS, BERTH AND SHIP OPERATORS

PPGY NASBO 001 - 2025

PortLinks – Pilot and Mooring Services

NOTICE IS HEREBY GIVEN that Peel Ports Great Yarmouth will be transferring to an electronic system for Master/Pilot Exchanges. This will enhance planning, sharing of information, reviewing and updating of exchanges for passages into and out of the Port, improving the process for both Pilots and Masters. To enable this transfer, from 01st February 2025 and for applicable vessels, agents and/or owners will be required to request pilotage and mooring services via PortLinks at the time of booking submission. The services can be added in the respective tabs within the booking screen (highlighted below).
