

**NOTICE TO MARINERS – No. 45 – 2024
Updated**

PORT OF GREAT YARMOUTH

Water Injection Dredging River Berth 1

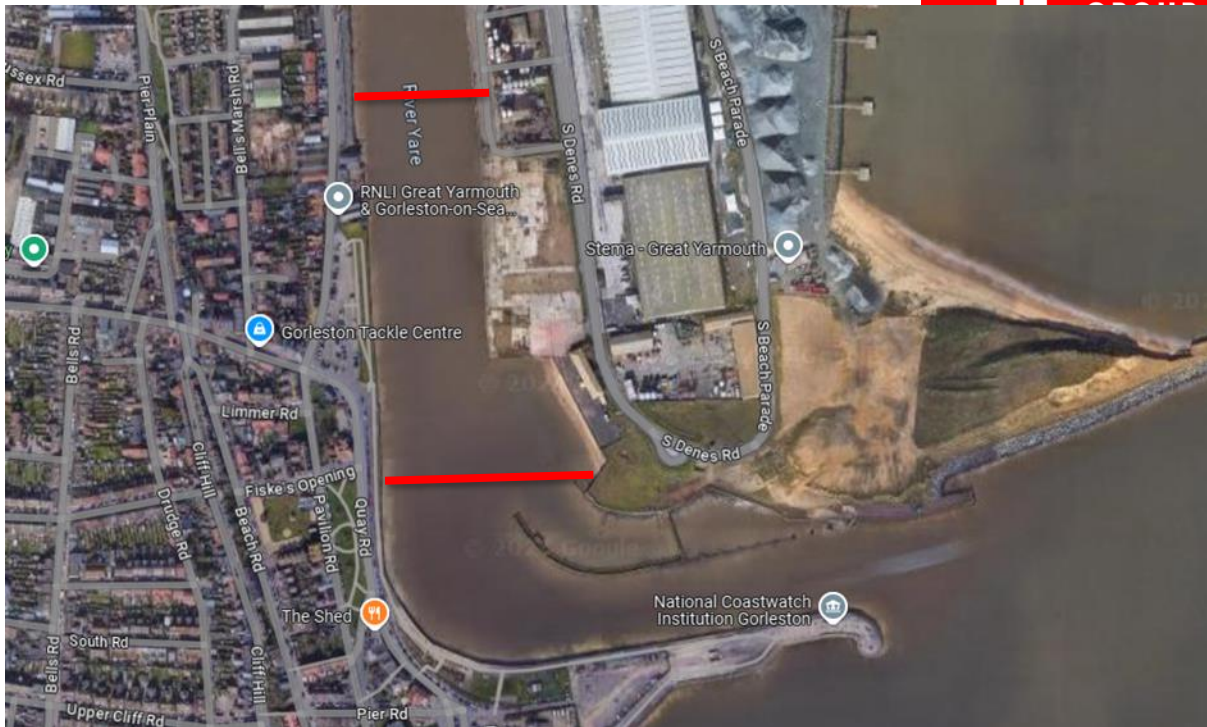

MARINERS ARE HEREBY ADVISED that Western Marinas will be carrying out water injection dredging on behalf of Tilbury Douglas, in the vicinity of the Spending Beach and Berth 1, using the water injection dredger CMS Innovation 2nd – 6th December 2024. The vessel will be displaying Restricted in Ability to Manoeuvre shapes and lights. All vessels are requested to keep clear when transiting the river. The CMS Innovation will give way to vessels within the river if required.

Mariners are reminded to maintain a listening watch on VHF Channel 12 whilst operating within the Port of Great Yarmouth and to advise 'Yarmouth Radio' of their intention to conduct any manoeuvre within the Port prior to doing so. For further information please contact Great Yarmouth LPS on VHF Channel 12 (callsign 'Yarmouth Radio') or 01493 335511.
