Dear Customer,

Fuel Surcharge Quarterly Review – 1st August 2024

Please be advised that the quarterly revision of the fuel surcharge has now been concluded. The fuel prices have trended downwards over the preceding period. The below chart provides the impact on fuel prices using purchases in January 2022 as the base.

Therefore, the temporary fuel surcharge implemented on 01st May 2022 will be removed and will be reviewed again in three months' time.

Thank you for your continued support.

For and on behalf of the Port of Sheerness

Yours sincerely,

Richard Goffin
