Definitions

1. In these terms and conditions and charging provisions, unless the context otherwise requires:

“Company”	means Great Yarmouth Port Company Limited (Registered No. 05971330) having its registered address at Maritime Centre, Port Of Liverpool, Liverpool, England, L21 1LA.
“Customer”	means any person for whom Services are performed or provided by the Company, including:- 1. where used in relation to any Goods; the owner, consignor, shipper, consignee, receiver or other person in charge of the Goods or other respective agents (other than the Company) in relation thereto. 2. where used in relation to any road or rail vehicles; the owner, agent, operator, driver or other person in charge of the vehicle.
“Dangerous Substances”	means any substance as defined in Section 3 of the Dangerous Substances in Harbour Areas Regulations 1987.
“Great Yarmouth Port Authority”	means the Competent Harbour Authority and Statutory Harbour Authority for the Port of Great Yarmouth
“GT”	means Gross Tonnage as calculated in accordance with the Merchant Shipping (Tonnage) Regulations 1997.
“GRT”	means Gross Register Tonnage as defined in the Merchant Shipping Acts (1947 Oslo Convention).
“Harbour Master”	means the Harbour Master appointed by the Company and includes his authorised deputies and assistants and any person authorised by the Company to act in that capacity.
“Length Overall” (LOA)	means the extreme length of the vessel as declared on the vessel’s Tonnage Certificate or in Lloyds Register of Shipping.
“Pilotage Area”	As defined in the current Great Yarmouth Port Authority Pilotage Directions for which the Port Authority is the Competent Harbour Authority pursuant to the Pilotage Act 1987.

“Port” means the Great Yarmouth River Port and Outer Harbour (including the approaches thereto), bridges, wharves, quays, berths, roads, and other property and works of every description and nature, and the buildings, structures and erections thereon, at the Port of Great Yarmouth for the time being owned, occupied or managed by the Company.

The port limits are as defined in the Great Yarmouth port Authority Acts 1866 to 1990, as amended by the Broads Authority Act 2009.

“Port User” means, without limitation, any owner, shipper, consignee, agent, hirer, licensee, visitor, occupier, invitee or other entity or person being present at the Port and/or having access to and/or use of the Port’s infrastructure and facilities.

“Services” means any service or operation of whatsoever nature performed or provided by the Company.

“vehicle” means any vehicle, including any motor car, motorcycle, lorry, trailer, tractor, steam roller, excavator, agricultural machine or other machine on wheels or tracks.

“vessel” means any vessel, including any hovercraft, hydrofoil vessel and anything constructed or used to carry persons, goods or cargo by water.

2. Unless the context otherwise requires, words implying the singular include the plural and vice versa and words importing gender shall include any other gender.
3. Unless otherwise stipulated in any special conditions relating to services and facilities provided by the Company, all vessels may enter or leave the Port or use the Company’s equipment or facilities or the service of its employees for or in connection with the loading, discharging or trans-shipping of cargo or in connection with repairing, fitting out, victualing, provisioning or laying-by of the vessel only with the consent of the Company and subject to:
 - a. payment of the relevant dues or other charges;
 - b. such terms and conditions as the Company may impose;
 - c. the lawful directions of the Harbour Master or other appropriate officers of the Company, and
 - d. compliance with the Statutes, Byelaws and regulations of the Company.

4. The Company notwithstanding any consent given or arrangement made shall be at liberty to vary, postpone or cancel such arrangements for any reason whatsoever without the Company thereby incurring to any person any liability whatsoever for loss, damage, injury, delay or expense.
5. The Company does not take any charge of or assume any responsibility whatsoever in respect of any vessel navigating or lying in the Port, or entering, leaving, moving, mooring or unmooring in the Port; all craft under such circumstances being at the sole risk of the owner, who alone is responsible for the safety and security of their vessel and moorings and also for any damage done by their vessel or servants to the Port, or to vessels or goods in or upon any part of the Port.
6. When complying with the lawful directions of the Harbour Master or other appropriate officers of the Company, every vessel will remain at the risk of the owner thereof and all things done, whether by the Company or the owner, in pursuance of execution or intended execution of such directions will be deemed to be done by the owner and all costs and expenses incurred, including those issued by the Company, will be for the owner's account.
7. Unless agreed to the contrary by the Company, the owner of a vessel warrants that any vessel that it brings into or causes to be within the Port is:
 - (a) seaworthy and operated in compliance with all relevant international standards and regulatory requirements (including, by way of example only, the ISM Code, flag state, classification society and UK Maritime & Coastguard Agency or equivalent) regarding safety, stability, seaworthiness, fitness for purpose and security;
 - (b) covered by P&I insurance with reputable P&I or London market insurers in respect of third-party liability risks (including but not limited to cargo damage, pollution and wreck removal) and for levels of cover as would normally be taken out by a prudent operator of comparable vessels in similar trades;

and shall ensure that the vessel is operated and covered by P&I insurance in accordance with requirements (a) and (b) above respectively at all times that the vessel is within the Port and must provide to the Company on demand documentary evidence of such status.

8. All goods at the Port (whether in transit, laid down or deposited) are at the owner's risk in every respect. The Company has no custody of such goods and shall not be responsible for any loss or damage.
9. Goods are not in the custody of the Company unless taken possession of by the Company as warehousemen or carriers in accordance with the Company's relevant terms and conditions from time to time in force.
10. The Company's services shall be undertaken only in accordance with the Company's relevant terms and conditions from time to time in force. The Company requires the

appropriate requisition, together with any other necessary documents, to be lodged before any service is begun.

11. When an agent for a vessel ceases to act whilst that vessel is still in the Port and does not accept responsibility for all charges arising, that agent must at once notify the Company so that charges may be correctly debited to the responsible parties.
12. When discharging or loading a vessel, the Company may, on request, furnish to the owner or agent an estimate, to the best of its ability, of the time at which discharging, or loading is likely to finish. In giving this estimate, the Company accepts no responsibility for any inaccuracy or for any delay in finishing discharging or loading.
13. These terms and conditions and charging provisions, including the charges herein, may be altered or varied at any time and from time to time in such respects and in such manner as the Company may determine.
14. Where the Company has agreed to provide any services or facilities in respect of which no charges have been assigned in this schedule, then the charges applicable to those services or facilities will be as determined from time to time by the Company.
15. Except where specified herein to the contrary, all charges payable hereunder are payable on demand unless otherwise agreed by the Company. The Company may charge interest on any overdue amount in accordance with the Late Payment of Commercial Debts (Interest) Act 1998.
16. Value Added Tax (or any other tax required to be levied on the Company's charges) shall be payable where applicable at the appropriate rate current from time to time on and in addition to the charges specified or referred to herein. The Company's VAT Registration number is GB 618 6241 39.
17. Payments should be made to: Great Yarmouth Port Company Limited

Remittances should be posted to Credit Control Section, Great Yarmouth Port, Maritime Centre, Port of Liverpool, Liverpool, L21 1LA. Or email remittances@peelports.com.

18. All activities undertaken and services provided by the Company are in accordance with these terms and conditions and charging provisions, and all applicable statutes, byelaws, directions, regulation and terms and conditions for trade or the supply of services, which will continue to apply except where varied from time to time by the Company.
19. By (a) entering the Port with a vessel; (b) landing, depositing, loading or storing goods within the Port; (c) requesting any services from the Company; or (d) making use of any of the Company's equipment or facilities, the relevant Hirer or owner (or their appointed agents) is deemed to have acknowledged and accepted these terms and conditions and charging provisions (including the charges herein and any associated directions, regulations or terms and conditions).
20. The Company may collect and process information relating to the owner, and their appointed agents, in accordance with the privacy notice that is available on the Peel Ports Group website. Each party agrees to comply with their respective obligations under the Data Protection Legislation.
21. The terms and conditions cannot be varied other than in writing by the Company.
22. These terms will be governed by and construed in accordance with English Law.

Documents to be Furnished by the Customer, Master or Owner

Unless otherwise agreed in advance by the Company, the Customer, master or owner of every vessel discharging or loading cargo must supply to the Company the following documents confirming the quantity of cargo discharged or loaded in the Port and the days upon which discharging, or loading took place:

- i) Bills of Lading or Cargo Manifest (indicating the weight of cargo and details of the shippers, consignees and freight payers); and
- ii) Statement of Facts

Where the quantity of cargo discharged does not match that shown on the relevant Bill of Lading, then a certified discrepancy report (including details of supporting surveys etc.) must be provided.

These documents must be supplied by the Customer, master or owner, or the appointed agent, to the Company within two working days from the day upon which the vessel completed discharging or loading as appropriate. The documents must be uploaded via the associated booking using the Company's Online Booking Portal (OBP). On vessel departure, the Company will send a notification to the registered e-mail address of the appointed agent for the vessel. This notification will contain a link to the area where final tonnage volumes must be uploaded and confirmed.

Please note that the Company no longer accept documents or information confirming final tonnage volumes submitted via alternative means such as e-mail or telephone. It is the responsibility of owner of the vessel / goods (or their appointed agent) to ensure that that documents are uploaded via the link provided by the Company and that such information is provided within the timescales stated.

Failure to comply with the electronic process or submission of tonnage declarations later than two working days from the day upon which the vessel completed discharging or loading will incur a charge of **£1,000.00 per instance**.

Audit

The Company reserve the right, upon the giving of reasonable notice to the Customer, Master, Owner, Vessel Agent, Operator, Cargo Receiver or Cargo Shipper, to require the production of, and to receive, view and / or copy, any relevant document or material within that party's reasonable control that demonstrates and evidences the quantum or movement of any cargo or other throughput that may be received, loaded, discharged, stored or otherwise handled within the Port. Such documentation and materials shall be provided to the Company upon request, without charge and during Company normal working hours.

For the purposes of undertaking periodic audits, the Company also reserve the right to review any recordings, data, reports, measurements produced from equipment under the control of any party and used to load, discharge or store and monitor cargo e.g. including but not limited to CCTV / ANPR etc.

Withdrawal of the United Kingdom from the European Union "Brexit"

The Port reserves all rights to introduce a Brexit Surcharge should legislative changes dictate a material change to the Port's operational activity during 2024. This includes but is not limited to the physical presentation of examinations, examination activity and supporting administration.

Company Land Rights and use of Natural Resources

All Port Users must seek the permission of the Company before exploiting the Port's natural resources, including but not limited to exploitation via water abstraction and discharge, marine capture, sand abstraction, harnessing of wind and wave energy, installation of cables, pipelines or other infrastructure, equipment or kit designed to make direct or indirect use of such natural resources.

The Company is entitled to charge Port Users in relation to such exploitation of the Port's natural resources ("Land Exploitation Levy"). Such charge may reflect not only the value of the resources themselves but also the costs incurred by the Company in re-directing its marine operations to accommodate the Port Users' activities.

Seafarers' Wages Declaration

When the Seafarers' Wages Act (the 'Act') comes into force, the Company will be required to demand a declaration from vessel operators that all seafarers onboard vessels are paid a wage at least equivalent to the UK's national minimum wage while working in UK territorial waters. Failure to provide this declaration will result in a surcharge in accordance with the terms of the Act, plus an additional Company administration fee. Failure to pay the surcharge applied under the Act may result in a refusal of access.

Recovery of Costs for Dealing with Wrecks and Dangerous or Abandoned Vessels

The Company shall apply its statutory rights and enforce those rights on Customers or Port Users regarding the recovery of any and all costs or expenses incurred by the Company in relation to dealing with wrecks, and dangerous or abandoned vessels at the Port.

- c) Conservancy Charges items 1 (a) to 1 (c) are payable on entry and shall commence when the vessel passes inwards through the breakwater heads or when the vessel anchors, attaches or secures the vessel to the seabed (in any manner) within the Port Limits seaward of the Outer Harbour entrance.
- d) If a vessel transits from the River Port to the Outer Harbour the appropriate Outer Harbour tariff charges will apply.
- e) If at any time, a particular Conservancy Charge is found to be inapplicable, the appropriate Due will be substituted for it and the amount payable will be re calculated and charged accordingly.
- f) For any vessel with less than 15 G.T, the appropriate toll is subject to VAT.

B. HARBOUR DUES (item 2 (Harbour Dues))

- a) Vessels measured in accordance with the International Convention on Tonnage Measurement of Ships 1969 and the Merchant Shipping (Tonnage) Regulations 1982 (as amended) will be charged at the appropriate rate on entry.
- b) Vessels not measured under item (a) above, or which cannot produce either an International Tonnage Certificate or a Tonnage Certificate showing the excluded spaces from which a comparable measurement can be made under the 1969 Convention, will be measured, using length overall, breadth, moulded depth and the appropriate conversion factor. The result of this calculation, multiplied by two, will be the rate charged on entry.
- c) Harbour Dues item 2(a) to 2 (e) are payable on entry when an inbound vessel passes through the breakwater heads, or when a vessel at anchor or attached to the seabed (in any manner) within the Port limits seaward of the Outer Harbour entrance, commences any ship transfer operations of cargo, personnel or goods of any kind.
- d) A period commences from the time at which the vessel passes the breakwater, or when a vessel at anchor or attached to the seabed (in any manner) within the Port limits seaward of the Outer Harbour entrance, commences any ship transfer operations of cargo, personnel or goods of any kind.
- e) NB: this toll is payable in addition to any conservancy toll for which the vessel is liable.
- f) If, at any time, a particular Harbour Due is found to be inapplicable, the appropriate Due will be substituted for it and the amount payable will be re calculated and charged accordingly.

- g) For any Craft with less than 15 G.T., the appropriate toll is subject to VAT

C. MARINE SUPPORT SERVICES (item 8 (Marine Support Services))

- a) Provision of the shipping on/off service is dependent on weather conditions and vessel availability.
- b) Users of the shipping on/off service are responsible for ensuring that any person to be transported is capable of transferring between vessels. The Company reserves the right not to transport any person who is considered to be unfit to travel, but the full charge will still apply.
- c) Boarding and landing points in the Port must be agreed in advance.
- d) The shipping on/off service is regulated by safety procedures and is under the control of the launch coxswain, whose instructions must be complied with at all times.
- e) The maximum carrying capacity is governed by the load line requirements of the launch.
- f) All hand luggage and packages must be secure and properly packaged for transfer and no item exceeding 20 kg will be permitted.
- g) Embarkation/disembarkation is subject to immediate turn round at the vessel.
- h) The Excess Time Charge will apply to the duration of any delay, whether occurring at the boarding/landing point or (except for normal operating requirements) caused at the vessel.
- i) The use of the Company's mooring crews will be compulsory for all vessels of LOA 40 metres or more, when arriving, sailing or shifting berth within the outer harbour.
- j) Where towage is being carried out mooring charges will apply for the whole length of the tow and not to the individual vessels.
