

Mariners are advised that underwater cable inspections are under way at various locations as detailed below until the end of February 2025.

1	Kames – Bute North	2	Kames – Bute South
3	Bute – Ardyne North	4	Bute – Ardyne South
5	Bute – Cumbrae Centre	6	Bute – Cumbrae North
7	Otter Ferry		

The work will be conducted from the following vessels which may be restricted in ability to manoeuvre during operational periods. All appropriate lights and shapes will be displayed and a listening watch maintained on VHF Ch 12. Mariners are requested to maintain a safe distance from the survey vessels and pass at appropriate speed.

Offshore Sensor	Proteus
	
Marine Sensor	Coastal Sensor
