

NOTICE TO MARINERS

No. 36 – 2024

Chatham Docks – North Lock Outer Wall, North Side - Repairs

Notice is hereby given that repair work to the outer wall of the Chatham North Lock approach is due to commence. Work to repair and fortify the stonework on the northern section of the outer wall at Chatham north lock will start on or around 23rd July 2024 with completion expected within 2 – 3 weeks. As part of the work programme, a scaffold framework will be erected along the affected section of wall which will protrude approximately 1m out from the edge and down the side towards the water.

All craft passing the worksite should be aware that works staff will be working close to the water, all vessels navigating in the vicinity of Chatham Docks should do so with caution and reduce speed/wash accordingly.

Admiralty Chart No. 1835 refers.
