

NOTICE TO MARINERS

№34 – 2024

PORT OF LIVERPOOL

TEMPORARY CLOSURE OF CANADA 90' BRIDGE

NOTICE IS HEREBY GIVEN that, to enable urgent engineering work, the Canada 90' bridge will be closed to vessel movements during the following period:

17.00 on 28 June 2024

until

07.00 on 1 July 2024

For the avoidance of doubt, this means that, during the closure, vessels will not be able to gain access to or egress from Huskisson Dock and Branches and Sandon Half-tide Dock.

Furthermore, during this closure, the berths at South Canada Branch Dock №1 and North Alexandra Branch Dock №3 will be closed to general traffic and reserved for the Port's registered ship-handling tugs and the *Mersey Endurance*.

Unless notice is given to the contrary, this Notice will be withdrawn at 07.00 on 1 July 2024. However, if the engineering work is completed sooner than anticipated, the Langton Dockmaster will advise vessels accordingly.
