PORT OF LIVERPOOL

TEMPORARY CLOSURE OF BIRKENHEAD DOCKS

NOTICE IS HEREBY GIVEN that the Wallasey Impounding Station, which serves the Birkenhead Docks, was flooded during the period of torrential rain that affected the North West on New Year's Eve.

The impounding station is currently out of commission. The facility is being pumped dry so that a damage assessment can take place.

Accordingly, the Birkenhead Docks will be closed to vessel movements until further notice.
