

NOTICE TO MARINERS No 61/24 RIVER CLYDE – GOVAN TO PARTICK FOOTBRIDGE CATHODIC PROTECTION WORKS

Chart 2007 Plan D

Mariners are advised that work to install cathodic protection system for the new Govan to Partick Footbridge is planned from 18th June for a period of approximately 4 weeks. This work will be conducted by divers accessing the quay wall from the landside. A support vessel will be in operation.

Mariners are requested to navigate with caution in this area and pass the construction site at appropriate speed.
