

NOTICE TO MARINERS

No 27 – 2025

PORT OF LIVERPOOL

TEMPORARY CLOSURE OF THE CANADA 90' SWING BRIDGE

NOTICE IS HEREBY GIVEN that work scheduled to take place on the wind turbine adjacent to the Canada 90' Swing Bridge requires an exclusion zone around the wind turbine, which necessitates the closure of the swing bridge to both vessel traffic and road traffic during the following period:

4 April 2025

09.00 until 12.00

During this closure, access to and egress from Huskisson Dock and Branches and Sandon Half-tide Dock will not be possible and vessels must not enter nor be present within the exclusion zone (the green shaded area) shown below:

Furthermore, during the period that the exclusion zone is in force, vessels inward or outward bound via Langton Lock and requiring mooring services must confirm with their mooring service providers on which side of Langton Lock the linesmen will be attending.

Unless notice is given to the contrary, this Notice will be withdrawn at 12.00 on 4 April 2025.
